People used
relationships because
they wanted to be
special

what?

Wanting to be special to
someone, I guess it is one
of humans basic instincts
along the desire to procreate

For a crossed path
like yourself who has
— absolutely — nothing
to offer, I guess
relationships is your
only method

Enough,
dude

There is no
prerequisite for
relationships.
Living as pigs,
ah?

I got your
point.
Enough.

Dude, your words
are throwing
thorns.

Correct me
if I am
wrong

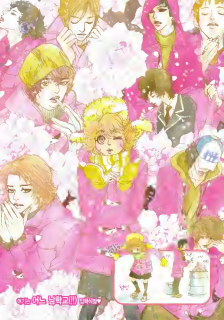

Random,
should you
apologize?

"Rex" (The author) used to be a background
illustrator for some magazine previously.
During his spare times, he used to draw some
pictures.

"Your drawing is quite easy to make your face."

"Oh, wonder?"

"What? believe that someone like you has to
draw such easy pictures?"

"By the way, isn't that a little too revealing?
it's just down too much."

"Oh? This? This is nothing."

You can draw kids (even more, revealing private body
area. This is nothing ~?)"

"... little girl's face ..."

This cat's
name is...
Oh, wait.

Shin... Shin...

Shin, Shin

Confusing

There are
too many
to remember
their names.

Shin...

And I am not
good at
remembering
names.

Well, cats
are kinder
tongues.

Shin... Shin...
Shin... Shin...
Shin... Shin...
Shin... Shin...

What's all this
you mean about
the 99th Anniversary
did you celebrate
your school?

What's
wrong?

Are you afraid
of cats?

Oh, I

Ah... no?
It's not that...

I am scared
of you!!

Isn't it
wrong?

I am going to
report you. /
(To Mom-My)

You look
scared.

— Are you —

Are you hot?

Hot? Oh,
yeah. It's a
hot day
today.

The reason
that you
are sweating
is...

Oh? Yeah.

Well, I can beat
up guys to get
back at them.

And I don't know
what to do with
girls.

Their high pitched
squealing ... and
knowing to talk
about what I look ...

I can't fight
them in a
way I can.

Is that why
you dislike girls?

I don't dislike
girls!
I am a guy!

They are
small ... And they
are soft.

Smells good.

And
pretty.

Girls.

So, you don't
really know
them.

Oh when you talked
to me, I was actually
glad.

So glad that
I had to pick
you up.

Well, lets say that
it will be a project
to transform you into
a more favorable guy
for girls

What -- ?

It's going to
be so much
fun !

Turning my life
into a handsome
guy !
I've always
wanted to try
that !

officially begun the

How could you

hate you

Let's make your

More ?

Good no !
Sorry !

I was wondering
why you chose

You were

checking it

I am
disappointed
anxious

I hope you
are not
angry?

Yeah?

You disappointed
me, right.

I guess you
missed it last
time you ?

This is shocking
— You never
seen you self
like this before

I guess I have
not told you
yet

Yes

Are you
waiting
for the
numbers ?

The reason
I am -- telling you --
is not this.

Waiting
me -- ?

I thought you knew
the line but and know
not to cross it. Ma

It's just you...

What
are
you

Let
me
go...

Oh?

Oh

I don't

What...
are you

I don't
know...

Sorry...

Are you
scared?

happened?

He-De... He-De...

He-De... He-De...

Hey --,

Snag
out of it.

She
want to do
it.

did that
I got here in
time.

Even if you like
the girl so much,
you should at least
get her permission
before going off the
map -- its up to
you don't

the matter
just wait.

I know that'd happen.

I... sorry.

uh

uh

I am sorry.

I AM SORRY!

He is certainly a member of my family alright. He won't repeat yells.

I am so sorry!
I am so sorry!

~~He really has many many things to do...~~

I am so sorry!
I am so sorry!

Awake... please.

THE LITTLE LADY

Sorry
I won't do that again.

I think I was out of my mind for a bit...

Enough.

But He-He

I am not a kid.
I know why you did it and you have little control over it.

I also know that you did it because you like me so much that

Yes, your
name, boy

Also, your
dream is not
dead, either

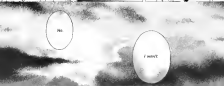

You are
my light.

Wouldn't it
get me, if

Where did
you...

Well, well... What a
drama, isn't it?
What the hell is
that? Are you going
to a school fair
with that?

Why?
No?

This is a school
uniform.
I am going to school!

What?

What?

Nothing.
I wondered why
you go there.

Nothing to
learn from
them.

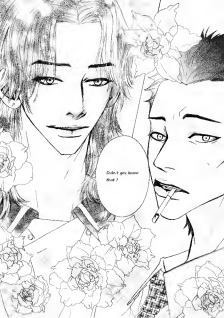

Ah-Oh...

I go school to
see the life.

What?

ANIME'S LIFE

Didn't you know
that?

What the hell is going
on with that guy ...

What the hell ...

I guess I won't be
able to escape him
just running away
because there's even
no bus.

I know he had
a soft heart, but
dark men were
effective.

So ... the job got
finalised up?

Hard to believe ...

That's not
a jobless ... that one only
is a difference.

Yes-Oh,
let's go school!

Let me carry
your bag

It's alright

Did you
want
bag?

Oops, I
just got
here.

And they will be in the first school
building.

After only a
few weeks later

May have you
seen. Almost
surely not.

It's a totally
different one.

I wouldn't believe
until I saw him
actually. He was
like a totally
different guy.
How can a guy
change like
that?

Yeah, no
telling!

I don't think he's
a bad guy.
I saw him once
and it was nice!

Yeah, I saw him
once. But
my heart melted.

Now you a
new body
too.

Looks like
He-Do was
a pretty

I am jealous.

Oh my...

That's a lot.

Oh, it's you

I was waiting for
you, then some
junior girls gave
these to me

They said
they made
these in a

There are all kinds
of cookies

You are
popular?

Not really
I was waiting for
you so that we
can eat together

Really?

me!

Well, that's pretty
cool. Get some
real ones.

Want me

You already
are.

I don't
have a

Let's
live like

And it's mine!
Don't taste it!

What?!

You thought

Go on, jerk!

I thought it wouldn't
be silly.

Why should it be silly?!

You cry all the time
for the smallest stuff!

What the hell are

What said I wanted

is that so ?

Yes !

What is
that

I am not !

You are. That's
why you are trying
to make
my friends so
hard.

What ?

Do you know
the rejection
of relation-
ships ?

It doesn't
have
any !

Everything
does

You get into relationships
so that you can be
special to someone.

You want to be special
to as many people as
possible.
It's the most basic human
instinct. It's what almost
everybody always has to do
something.

Well, for a 4-grade
girl like you, I guess
relationships is the
only way, eh?

Very
enough.

Relationship is
the worst thing
to attempt.

Enough?

Your words are
stunning, there.

Am I
wrong?

being right?

nothing...

nothing
about?

nothing

if you are actually
right and that is
exactly what relationships
are for...

That's kinda

How come?

Yes.

Well, though there
was the one time
where he lost his cooler

by the way I cut him off

how far as far as
I will go

Why are you
talking about
that all of a sudden?

She is too slow
to get the hint.

Your boyfriend is
seeing another woman.

Oh?

I agree with
my room
mate.

Remember... there are
ghosts everywhere around
us.

They say that he will take any girls if they show love!

I don't feel good
about this. I feel like
I broke them apart.

But it's for her
own sake. She needs
to detach with a guy
before it's too late.

Anyways

Can I tell you
something,
Kang Han-Se?

The woman
Han-see was saying

I love her .
with you as
well before.

What the hell
is this?

Let's say that
I am a confidante
for now.

what?

Are you
serious,
seriously.

Keep it
secret from
Hi-Da.

Hi, no?

They --

I don't even
remember
their names

And the girl
just now --
She was crying
at --

You are the
only one for
me ... You are
special to me.

How can I
special?

Wait, you
were the

Like your first cat ?

*Am i special as

What ?

*I am not

*They are cute --
They are crying --

even being

I want more than
that kind of treatment.

Oh?

Really?

Really?

Indeed, now.
This kind of

So... you've decided
to go to America?
(Jinseo)

Yes... I've
decided

You might die

So?

You might get
killed in death.

It's been decades
since the war

It's merely
preconceptions that
Japanese are
linked by Korean
vengeance

I am not saying
that because you
are a Japanese

It's because
it's you

...I didn't know that. Though your galaxy is more beautiful than mine's.

And that makes me in a pain?

Yes, and it's a nice sight.

Well, standing in front of it, I am --

Anyway, you are worrying about me, aren't you?

Maybe, you are right.

This is why I hate married women.

In addition, she is...

If we do
something in
some place
don't pretend
to know me.

Hehe

Darling ~

My husband
is calling me.
Bye now

See!

Have fun!

She is ...

How disappointing,
right?

Hehe...

It's getting
hot...

I guess it's time
to get a haircut.

● ツンツン (Tsundere)

A very, very, well known slang for Otaku. It is a combination of two words: ツン (Tsun) +

ツンデレ (Tsundere) refers to a specific type of women. Exclusively used by otaku who love hentai games.

「ツレツレ」 (Tsuresure) refers to a type of women who is very cold to strangers and friends but acts very friendly and lovely towards her lover.

This word is exclusively used by female game lovers, and there is usually one tsuresure heroine in female games.

Yes

ANIMÉ COMÉ

You think your
first language
Japanese, no?

Do you must have heard
his voice. When he speaks
in his native language,
his voice is like one of those
radio voice actors.

Shima even heard his
voice and listen. In it later
other students from other
language classes stay out-
side to listen to his voice.

And he's good looking—
good enough to be an
idol.

Furthermore, his
mother has German
blood in her veins.

So, he got blue eyes.

Whatever

I hate "Japs"

When he speaks Korean, it sounds weird.

He speaks like a damned snake like all japs are.

Hey --

He must like you speak good Korean also

Angry!

Yes I do think he looks okay, but not a jap

Besides, don't you have a feeling that he is a percent 75% all Japanese are.

That's strong presumption. I didn't know

you were a Japanese

None of my family like japs. My papa and a Anti-Jap school also

What does that have to do with you?

Angry!

High --

What a way to
stop the conversation.
Now you got me all
confused!

And what if?

I am yellow! It
never does you!

Stop!

I can't
speak like
this!

How do you expect to
have a relationship when
you close both eyes?
Stupid.

What's her
deal then?

Well?

Just tell me,
please?

If you are serious,
look at him. You
have the ability
-but never-

If I could,
I would tell the
whole world!
